BUILT TO LAST

A new sermon series

“What The World Needs Now Is Love” was the message made popular in the 1965 hit song by the same title. But what kind of love, is there just too little of? From Hollywood to Harlequin to Hallmark—love has been marketed, bought and sold as something we uncontrollably “fall into” and therefore, are just as likely to “fall out of”. The love from Heaven on the other hand, is not something left to chance, but is a matter of choice! “For God so loved the world that He gave His one and only Son, that whoever believes in Him shall not perish but have eternal life.” -JOHN 3:16 Our new sermon series, “Built To Last!” lays a foundation for living in God’s love by committing ourselves to ASKING what love is and ACTING like love acts. Only when we understand the love that God has shown to us can we begin to share the love He intends to show through us.
